What IF you could network with facility management and building operations professionals who understand your building's specific issues?

Experience **What IF** at

Moving into the Frontier

May 7, 2014 (Wednesday) Hong Kong Convention and Exhibition Centre

An event designed to provide networking opportunities and FM & IB education with an in-depth focus on FM & IB industry-specific issues.

Co-organized by The Hong Kong Chapter of the International Facility Management Association and the Asian Institute of Intelligent Buildings, **Moving into the Frontier** is an interactive platform for the building and facility management professionals to network and exchange thoughts, covering topics such as technology, sustainability, quality, business and finance, strategy planning and space management. The conference aims at providing practical knowledge in re-shaping executives plans for portfolio management.
