

Chapter CPD Evening Seminar & Christmas Banquet “FM – Crossing the Borders”

Steven Gladwin is General Manager, Strategic Solutions for the Tungsten Group, a specialist Asset and Facilities Management company employing over 160 full time staff and part of the ASX listed Programmed Maintenance Services Group.

Steven is also the Past National Chairman of the Facility Management Association of Australia (FMAA), which represents almost 1500 members. He has been on the Board of Directors for the FMA for over 7 years and represents the Association on the Board of Global FM. He also holds Ministerial Appointments to the Federal Government's Industry Action Agenda for the Built Environment.

Prior to joining Tungsten Group, Steve had a career spanning almost 13 years in Australia with another leading FM Company where he held the positions of

Business Development Manager, State Manager, National Operations Manager and General Manager as the organisation grow from inception to a \$200 million business.

The presentation will focus on FM developments at a Regional and Internal perspective, making reference to the Australian Government's Action Agenda for Facilities Management and Global FM, the newly formed Federation of Facility Management Associations.
