

## OPPORTUNITIES AND CONCERNS RELATED TO SOME OF CHINA'S GROWING PROPERTY MARKET

In 2001, Stephen, moved to Hong Kong as the Executive Director and Business Line Leader responsible for the overall administration of Asset and Facilities, on behalf of CBRE in the Asia Pacific Region specializing in servicing client facilities, commercial and retail management requirements of CBRE's Asset and Facility Management portfolio and quality of service, which is currently in excess of 70 million square feet.

Speaker  
Stephen Mooney

Executive Director  
Asset & Facilities Services,  
Asia Pacific

stephen.mooney@cbre.com.hk  
T : (852) 2820 2882  
F : (852) 2730 3954

Stephen has a wealth of property related experience spanning a twenty-eight year period. Stephen has been involved in Investment, Development, Fund Management and Asset Management. Stephen joined CB Richard Ellis in August 1990 and has carried out various management roles within Asset and Facilities Services, Agency and Retail areas. Stephen was National Director of Asset Services in the Pacific region and sat on CBRE's Pacific region Executive Committee. Prior to joining CB Richard Ellis, Stephen was one of the founding Directors of Global Funds Management, responsible for Property.

Stephen's topic will be on the opportunities and concerns related to some of China's growing property market.

Stephen will draw on his recent experience and CBRE's China's operations relating to the history of some of the buildings in Shanghai and financial MNC's, addressing some current day issues in the market place.
