

## IFMA CREDENTIAL WORKSHOP CERTIFIED FACILITY MANAGER (CFM) 26 April 2008, Saturday

### *The most respected global credential in facility management!!!*

The Certified Facility Manager (CFM) credential sets the industry standard for ensuring the knowledge and abilities of practicing facility managers.

Never before have the public, employers and government agencies relied as much on certification organizations as they do today. Professional associations are now taking a lead role in developing these credentialing programs, and IFMA's CFM program was the first in facility management.

#### **The workshop will cover the following topics:**

- *New deadline for all equivalency-based applications;*
- *The launch of the CFM exam in Hong Kong;*
- *What difference does becoming a Certified Facility Manager make;*
- *The nine core competency areas;*
- *Are you eligible to apply for CFM? And how to begin the application process?*

### **Ms. Arnald Ng, CFM MSc**

Arnald is an Account Manager at ISG Asia, heading the project and facility management team for a banking client. She has been a member of the Hong Kong Chapter of IFMA since 1998 and has contributed significantly to the effectiveness of the Chapter, especially through her involvement in delivering professional development programs for facility management practitioners in Hong Kong. She obtained her CFM in 2002 and happy to share the process and requirement of the certification.
