

IFMA INDUSTRY PRESENTATION

FM Industry in Facing this Economic Crisis

Saturday 28 February 2009

The global recession has been described by Nobel Prize winning economist, Paul Krugman as " ...an awful lot like the beginning of a second Great Depression."

How does the FM industry survive and continue to support core business in this economic crisis?

This IFMA seminar will look at different aspects of FM operations during the current financial climate from the view point of a number of key speakers.
