FM and Workplace Strategies Best Practices

Ir Alfred Sit, JP
Deputy Director, the Electrical & Mechanical Services Department of the HKSAR Government

Ir Alfred W H Sit is Deputy Director of the Electrical & Mechanical Services Department (EMSD) of the HKSAR Government. EMSD, being a government department, plays a dual role in Hong Kong. Firstly, it acts as a law enforcement department with regard to electricity, gas, railway, lift and escalator safety, and a number of related E&M safety areas. Its second role is to provide E&M engineering solutions and services to other government departments and public sector organizations in Hong Kong. EMSD is also charged with supporting government initiatives in promoting energy efficiency and conservation in Hong Kong /... [read more](#)

Ir Roberto Vazquez
Chief Executive Officer (Acting), ASB Biodiesel Hong Kong Limited

Ir Vazquez joined ASB Biodiesel in 2012. With 17 years' experience, the last 14 in the biodiesel industry, Ir Vazquez has worked in different projects as Project Manager, Engineering Director, Plant General Manager and Chief Technology Officer. Before joining ASB Biodiesel, he completed the successful design and commissioning of a 200,000 ton-per-annum plant in the south of Spain. As CTO in Hong Kong, Ir Vazquez has completed the 100,000 TPA biodiesel bio-refinery (April 2014), recruited the production and sales team, designed the operations, launched the sales to the leading companies in the sector (Shell, Chevron, Nidera, Petro China), and contributed to develop the waste oil collection activities of the subsidiaries in Singapore, Malaysia and Hong Kong. From September 2014, Ir Vazquez is acting CEO /... [read more](#)
