Founded in 1980, IFMA is the world's largest and most widely recognized association for facility management professionals, supporting over 20,000 members in more than 100 countries. IFMA Hong Kong Chapter was established in 1992, which is the first Chapter in Asia. We have established our profession almost 30 years in Hong Kong. With its wide recognition in the industry, the Chapter was recognized as “Recognized Professional Body” by Property Management Services Authority and granted funding from the Government’s Professional Services Advancement Support Scheme for project “Enhancing the Professionalism of Facility Managers and Their Contribution to the Building Management and Facility Market in Hong Kong”
